

Historic Kansas City Foundation: Call for Board Members, Committee Leaders and Volunteers

In 1974, a group of concerned Kansas City citizens formed the Historic Kansas City Foundation to combat the ongoing demolition of historic buildings in our city. This dedicated group of individuals established not-for-profit status, developed by-laws, and inducted a Board of Directors. Today, the primary missions of the organization are to serve as a public advocate for preservation causes within the greater Kansas City area and to inform and educate the public about the important benefits of preserving our cultural resources.

Currently, we are looking to expand leadership and volunteer roles within the organization on the following levels:

- Board of Directors (monthly board meetings, plus committee participation)
- Board of Advisors (quarterly meetings)
- Committee Chairs (committee specific monthly or bi-weekly meetings)
- Committee Volunteers (committee specific monthly or bi-weekly meetings)

In addition to openings on the Board of Directors and Board of Advisors, some specific committee roles to fill for the 2013 year include:

- Annual Fundraiser Chair and Volunteers
- Young Preservationists Chair and Volunteer
- Education Committee Volunteers
- Communications and Social Media Volunteer
- Volunteer Coordinator

We are always looking for additions to our long-standing committees, including Events, Advocacy, Tours, Speaker's Bureau, and Fundraising. For more information about specific roles:
